

EDUCATION SERVICES

YOU'RE INVITED...

**Level 5 Certificate in Primary School Physical Education Specialism
&
Level 6 Award in Primary School Physical Education
Subject Leadership**

Want to improve the delivery of your Physical Education lessons? Want to impact the leadership of PE in your primary school?

TS Education Services is inviting **you** to join a selected group of influential PE teachers in taking the **Level 5 Certificate in Primary School Physical Education Specialism** and **Level 6 Award in Primary School Physical Education Subject Leadership**.

The courses are essential qualifications for upskilling teachers and raising standards in physical education, helping you to deliver PE lessons that have a bigger impact on your pupils' learning.

Consisting of five units, Level 5 is taught over six days throughout the academic year (one session per half term, from September to July). It delves into topics such as 'Areas of Activity' and the physical development of children – and while there is no formal assessment – TS Education Services will use a range of methods of assessment and coursework to help you achieve the outcomes of the course.

Level 6 is an additional unit taught over one or two days at the beginning of the following academic year. With a focus on the curriculum and advocating the importance of PE, it will equip you to be an influential leader of Physical Education in your primary school.

For more information, contact Donna Smith via the details below to request your copy of the Level 5 and Level 6 Delegates Guide. Then secure your place and start raising the standards of PE in your school today!
