The new Level 3 Award in Supporting the Delivery of Dance in Physical Education and School Sport has been developed by 1st4Sport Qualifications in partnership with afPE.

In line with the afPe Safe Practice (2.2.1 & 2.2.2) guidelines and The Health and Safety Executive (HSE) requirement the above qualification supports competence for anyone teaching a PESSPA session in curriculum dance.

The qualification has been designed to impart the skills, knowledge and understanding in learners to allow the purposeful delivery of dance activity sessions within a Physical Education and School Sport environment. These skills include a deeper understanding of the benefits associated with dance, knowledge of a range of dance activities appropriate to learners in a given school setting (primary or secondary) and the ability to appropriately plan, delivery and review dance sessions linked to a relevant key stage.

Successful achievement of the qualification enables learners to apply the principles of dance sessions to a range of participant groups, supporting healthy lifestyles in early years, children and young adults.

This qualification, in combination with other qualifications, may allow learners to deliver independent dance sessions as part of the physical education national curriculum.

Pre-requisites

18 years, QTS or possession of L2/3 PESS or possession of a regulated L3 qualification in instructing dance, (IDTA Tap/Ballet)

**TS Education will be delivering a course on the 21st July 2017 cost £170
