‘Change a life’

TS Education Services have had a very busy year working with YST, British Cycling, Sports Coach UK, afPE SE Board and Sports Leaders continuing to support those involved in Primary PE, Physical Activity and School Sport.

Donna was invited to become a lead Tutor with Sports Leaders as well as being appointed the Senior Development Coach for Hampshire supporting SGO's. Our ethos continues to be to support any person involved in Primary PE and SS, embedding knowledge and understanding around the pedagogy of teaching ensuring that all pupils have the opportunity to lead a Healthy and Active Lifestyle.

We are in our second year working with a small group of apprentices who study the NVQ Diploma in Supporting the Delivery of Physical Education and School Sport. Within this course, we include the BG Intermediate Award, L2 Multi Skills Award and L3 Award in Dance. If you are considering taking on an apprentice next year and wish to discuss how we can help please email Donna.

HIGH QUALITY, PROFESSIONAL TRAINING”

We continue to support subject leaders in the management and delivery of PE which include assessment, tracking and quality assurance that satisfy Ofsted requirements

Courses are practical, flexible and affordable. They are delivered within our purpose-built classroom and all weather area with most important thing – Lunch being provided or we can arrange in house training (you provide the lunch!)

Course dates are set by you and are regularly updated. All courses come with supporting resources.

Working in partnership with schools, PE educators and coaches we aim to provide inspirational yet affordable training for PE teaching specialists.

Please note that any specialist teaching a lesson and not on the school payroll must have a member of staff present to meet the schools’ Duty of Care responsibilities. A member of staff is any person on the school payroll

Our aim is to improve physical education and school sport within the curriculum to ensure all pupils have the embedded skills to lead a healthy and active lifestyle in line with the National Curriculum, Sports and Health Agenda

We are passionate that every young person should reach his or her full potential
