

YOU'RE INVITED.... British Gymnastics Teachers Award course

Are you delivering curricular and after-school gymnastics in schools with confidence and creativity?

T.S. Education and The Gymnastics Consultancy have joined forces and are inviting you to join a select group of coaches and sports companies in taking the **British Gymnastics Teachers Award**.

The course is a valuable qualification for teachers/Coaches wishing to deliver high quality curricular or after-school gymnastics.

The practical 1-day or 2x twilight course covers 7 modules - travelling, balancing, rolling, inverting, vaulting, large apparatus and hand apparatus. Although there is no formal assessment learners should understand skill progressions and are required to demonstrate competent skill-specific support to gain the qualification

Resource: *Complete Guide to Primary Gymnastics* containing invaluable pictorial resources, video clips and a scheme of work YrR - Yr6

The Gymnastics Consultancy
